Summer of Love

Peace, Love & Hippies

1960's - Music of this era that brought people together and offered the world hope & peace amongst the time of war, political unrest & social injustice. **Wear your tie-dye shirt** and relive the 60's pop music scene, which was a blend of folk, rock, and pop with catchy melodies, rich harmonies, and optimistic lyrics. The Viva Band with Paul Saca (toured with Flo & Eddie) backed by talented musicians & vocalists will perform songs you know, many that reached the top of the billboard charts. Enjoy this multimedia concert that pays homage to great music legends - The Mamas and The Papas, Janis Joplan, The Turtles, The Grass Roots, Bob Dylan, Tom Jones, The Beatles, The Monkees, and The Guess Who.
